We are happy to share a new endeavor coming out of Headquarters! A small team of staff members has redesigned the DKG app and just launched it for all members. This app is with a new company, Gather Digital, and will completely replace the old one. It will have two parts to it to serve different purposes:

Part 1: 365- This part will give members basic information, news, updates, etc. that they would normally go to the website to find, but in a format more accessible than the website on their portable devices. It will be relevant and up to date year round, and only available to members.

Part 2: Conventions/Conferences- This part will serve as a reference tool to members for DKG conventions and conferences. It will include maps, schedules, speakers, discussion boards, etc. to help members feel more connected and informed on events, whether they are in attendance or not.

AVAILABLE for FREE on APP Store and GOOGLE PLAY
