

Delta Kappa Gamma worked with Boon-Chapman back in 1968 to develop insurance programs to benefit its members. The Insurance Program was adopted that year at the New York Convention. Because insurance plans are adapted to the individual, details of plans, and costs are too varied to be listed here. However, by visiting the Boon-Chapman web site, you can obtain detail to these insurance plans.

They include: Life Insurance
Excess Major Medical Plans
Accidental Death and Dismemberment
Surgical Assistance Plan
Cancer Insurance Plan

The web site, <https://www.boonchapman.com/DKG.aspx>, has an Online Handbook with the following pages:

HISTORY: Delta Kappa Gamma and Boon-Chapman
INSURANCE: Plans to Meet Your Individual Needs
ENROLLMENT: Eligibility and General Information
PAYMENT: Information
CLAIMS: Forms and Instruction for Filing Claims
CONTACT: Information for Personal Service.
