DKG Medical History Bracelet

Another benefit, relatively new, is the **DKG Medical History Bracelet**. The bracelet has the DKG rose logo on a black bracket. The opposite side of the bracelet is a USB Flash Drive. It has a USB 3.0 drive Premium e-Manager Software.

You can download all your family and personal medical history; a list of your doctors, their phone number and faxes; your medications with dosage and time of day you take them; any allergies or medicines to which you are allergic; your health care proxy; who to contact with phone numbers, etc.; and past procedures, operations, vaccinations and other pertinent information a doctor might need to treat you.

These bracelets are available on the DKG web site, www.dkg.org. At top of home page, click on “Store.”

At STORE home page, click on bracelets. This possible life saver only costs \$20.
