

EEEK! PROGRAM

(EXPLORE, EXPERIMENT, ENGAGE FOR KIDS!)

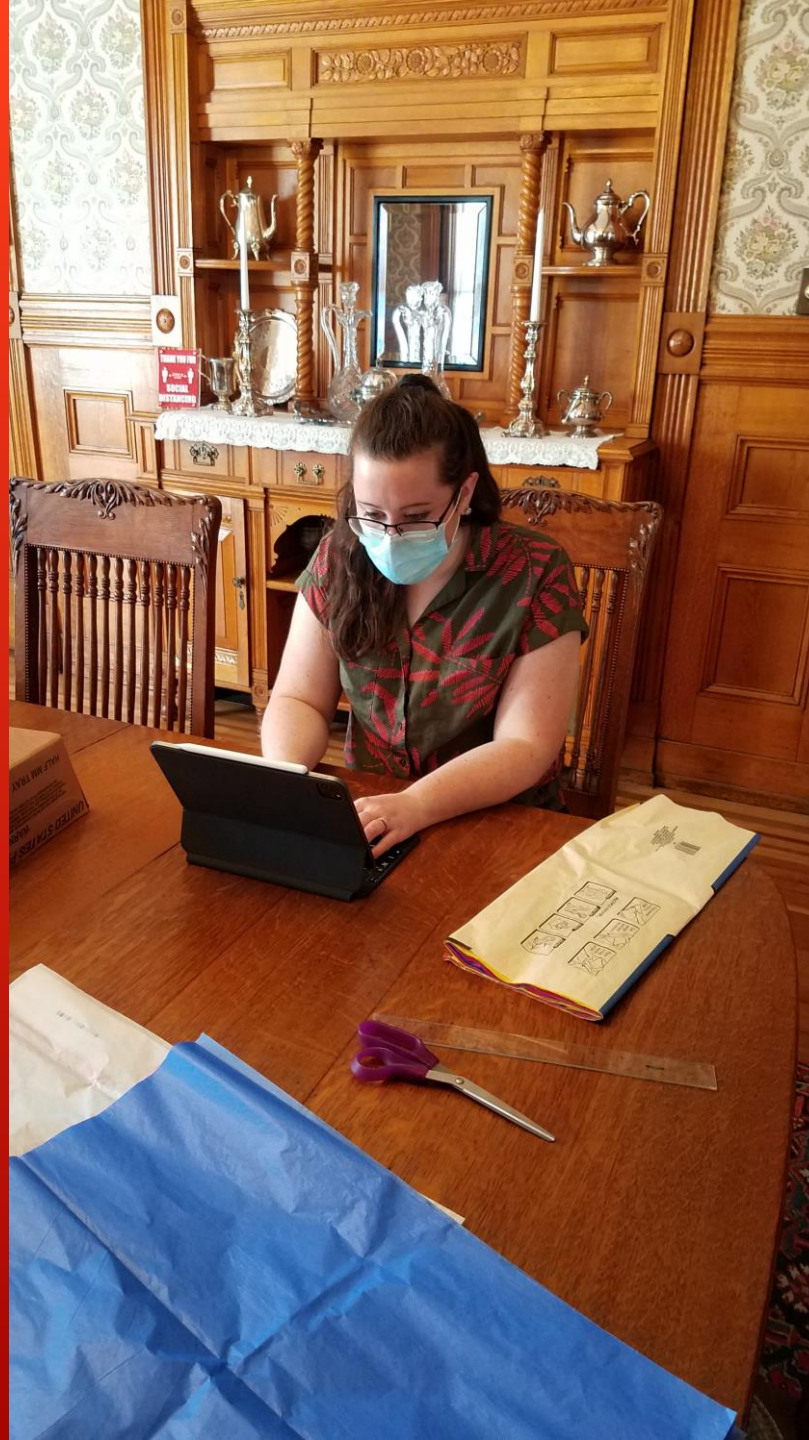

Presented by Diane Cappellino from Beta Delta

A series of several parallel white lines of varying thicknesses, slanted diagonally from the bottom left towards the top right, located on the right side of the slide.

Nellie
Ludemann,
Educator/Pr
oject
Coordinator,
at the
Seneca Falls
Historical
Society and
I excited
about
receiving
the Grant
check.

Nellie saves all the activities on Google Drive.

The activities are lined up on the dinning room table at the Historical Society so that everything can be collated and put in the boxes.

The February/March boxes have approximately 9 activities for each month such as recipes, crossword puzzles, crafts, experiments, and books. Snacks are also included.

Beta Delta Chapter members helped fill the boxes. From right to left: Liz Becht, Denise Capozzi and her husband, Fred.

The April theme was human rights. Some of the activities were developed by the Women's Rights National Historical Park. One of our chapter's member, Cindy Ody-Ortego, who volunteers at the park.

I'm helping to organize materials for the April Bags.

Completed April
Bags.

Thank you to the Pi State Educational
Foundation for the Grant to support
the EEEK! Program!

The image features a solid red background. In the bottom right corner, there are several white, parallel diagonal lines of varying lengths, creating a sense of motion or a graphic element.
